Robert T. Blackburn and Keith W. Trowbridge 1

Community Attitudes and the Urban University
Donald A. Biggs and William J. Barnhart 13

Structural Properties of Perceived Power Relations in an Educational Setting
Edmond Marks 23

Community Colleges with Collective Bargaining Agreements: Are They Different?
John C. Smart and Samuel A. Rodgers 35

Personality Development and the College Experience
Arthur W. Chickering and John McCormick 43

Assessment of an Experimental College
Charles B. Johansson and Robert L. Dey 71

The Cost of College (II)
Sal B. Corrallo and John C. O'Conor 79

A Study of the "Environments" of Japanese Universities
James M. Richards, Jr. 87

Papers Accepted for Publication in Future Issues 100

Volume 1, Number 2

College Students' Goals, Plans, and Background Characteristics: A Synthesis of Three Empirical Studies
Robert H. Fenske and Craig S. Scott 101

The Issue of Privacy Reviewed
David W. Leslie and Alton L. Taylor 119

A Prospective Study of Personality Changes in Students in Medicine, Dentistry, and Nursing
Harrison G. Gough and Wallace B. Hall 127

Changes in Students' Educational Attitudes: A Study of an Experimental Living–Learning Program
Barry R. Morstain 141

Similarity of Student Ratings Across Instructors, Courses, and Time
Thomas P. Hogan 149

Changing Functions of the University in Britain
Ann B. Denis 155

Effects of "Nonrational" Influences on Decision Making in Higher Education: A Simulation Test
Verlyn W. Heldt, Larry Braskamp, and Robert Filbeck 163

A Study of Test Speededness as a Potential Source of Bias in the Quantitative Score of the Admission Test for Graduate Study in Business
Franklin R. Evans and Richard R. Reilly 173

Educational Aspirations of High School Graduates in British Columbia
John D. Dennison 185

Papers Accepted for Publication in Future Issues 190

Volume 1, Number 3

Differences Between Physical and Social Sciences in University Graduate Departments
Janice Beyer Lodahl and Gerald Gordon 191

Student-Designed Curricula; The Graduate and Professional School Reaction
Claudine Schweber Koren 215

The Impact of the Episodes of May, 1970 upon American University Students
Donald L. Thistlethwaite 225

Changes in Students in Relation to College Environments
John McLeish 245

Drug Usage in College Students as a Function of Racial Classification and Minority Group Status
Jerry L. Strimbu, Lyle F. Schoenfeldt, and O. Suthern Sims, Jr. 263

Urban Citizens and a University After a Serious Campus Disturbance
Donald A. Biggs and William J. Barnhart 273

Career Preferences, Self-Concept, and Vocational Maturity
W. Bruce Walsh and Samuel H. Osipow 287

Papers Accepted for Publication in Future Issues 296

Volume 1, Number 4

Women in Doctoral Education: Clues and Puzzles Regarding Institutional Discrimination
Lewis C. Solmon 299

Growth and Development of College Administrative Structures
R. P. Heron and D. Friesen 333

Faculty Attitudes Toward Student Protest
John Bruce Francis, Steven A. Lewis, and Ira S. Rubin 347

Measurement of Instructional Effectiveness
Donald P. Hoyt 367

Doctoral Study Attrition in Psychology
Clifford E. Lunneborg and Patricia W. Lunneborg 379

Foreign Students in American Colleges: Time for Change in Policy and Practice
Alan E. Bayer 389

The Community College and the Disadvantaged
James L. Morrison 401

Papers Accepted for Publication in Future Issues 414
